

+ This week at MRC we looked at Paul's longing to return to Thessalonica to support the Christians there through difficult trials. **(2:17-3:9)** As Paul continues to defend his ministry, he expresses his desire to be one who strengthens and encourages fellow brothers and sisters through the daily testing of faith. But as he does this he too is then encouraged as he hears from Timothy's report that they are standing firm in their faith.

How do we as a church be brothers and sisters who nurture one another in the maturing of our faith through trials?

#### **Testing of Faith. 2:17-18; 3:4-5**

Paul had warned the Thessalonians that they would face persecution 3:4. He himself had faced it wherever he went. Paul expresses his intense longing to return to them, not wanting to have left. He was afraid that they might fall away from their faith in Jesus due to the opposition they face from the jealous Jews (Acts 17:5)

#### **Nurturing of Faith 2:19-3:3**

The Thessalonians are very precious to Paul. He calls them his glory and Joy. In his mission to preach the gospel God has blessed him with fruit in the lives of people like the Thessalonians. When Paul stands before God on the final day he sees them as evidence of his labour. Paul sends Timothy who is a co-worker and a brother He is sent to strengthen and encourage.

#### **Maturing of Faith 3:6-9**

Timothy brings back a good report of the faith and love that the Thessalonian have and are showing. Paul is encouraged, able to breathe a sigh of relief that God is upholding them. He gives thanks to God for the joy he gives him in the presence of God.
